

Application No. 10/036,863

**REMARKS**

Applicants would like to thank Examiner Rivera for the helpful discussion with Applicants' representative on October 20, 2004 and November 4, 2004. In this interview, Applicants noted that the U.S. Patent & Trademark Office's Patent Application Information Retrieval (PAIR) system listed the present application as "Allowed"; however, it did not appear that the Notice of Allowance had been mailed. In addition, an electronic copy of the Notice was not available to Applicants' representative on the PAIR system. Applicants requested a copy of the Notice to be sent by facsimile to (312) 321-4299, in view of the impending expiration of the Period for Reply on November 4, 2004.

In response to this request, Examiner Rivera confirmed that the present application had indeed been allowed. However, Applicants were informed that a copy of the Notice was unavailable, as the file was undergoing a pre-issuance review in another department of the U.S. Patent & Trademark Office.

Accordingly, Applicants are not filing a Notice of Appeal or a Request for Continued Examination in this application prior to the expiration of the Period for Reply to the Final Office Action mailed May 4, 2004. Applicants are acting on the basis that the application has been allowed, as confirmed by the Examiner and by the PAIR system. A printout of the information for this application as available on the PAIR system on November 4, 2004 is attached herewith.

Application No. 10/036,863

**CONCLUSIONS**

In conclusion, all of the grounds raised for rejecting the application are believed to have been overcome or rendered moot, and Applicants understand that the application has been allowed. Based on the Amendment and Request for Reconsideration filed July 1, 2004, Claims 3-5, 9, 10, 15, 16 and 21-34 should be allowed.

No fees or petitions are believed to be due in connection with filing of this Statement of Substance of Interview. However, should any petition for extension of time under 37 CFR § 1.136(a) and/or any fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to these material, that petition is hereby made, and/or the Commissioner is hereby authorized to deduct said fees from Brinks Hofer Gilson & Lione Deposit Account No. 23-1925. A duplicate copy of this document is enclosed.

Respectfully submitted,
